2015 Fall Nut Sale

The Fall Nut Sale is an integral part of the Girl Scout Leadership Experience and our business and economic literacy initiative for girls. Through this program activity, your Girl Scout will develop five business-building skills she will use throughout her life:

Goal Setting • Decision Making • Money Management • People Skills • Business Ethics

Help your Girl Scout earn her very own personalized avatar patch. Selling online couldn't be any easier. Follow the detailed instructions on the *Create your own avatar* flyer you will receive with the order card. Girls selling at least 30 packages will have their avatar turned into a patch with their name on it!

Did you know? The council goal is 40 items per girl.

See the flyer for detailed instructions about how to set up your avatar and set your goal. See what you can earn at each level in our online system!

Remember that the Fall Nut Sale is part of the Girl Scout Leadership Experience, which is girl-driven. Let your Girl Scout take the lead in selling her product and reaching goals. Your encouragement, coaching and guidance will be key ingredients to a successful Fall Nut Sale experience for her.
