How do parents prepare medications for camp?

*All medications, prescriptions, and non-prescriptions, must be given to the health supervisor in the morning. All medications must come to camp in its pharmacy bottle with the camper's name, name of the medication, and current dosage clearly written on the bottle. Without this information, the medication will not be accepted. All medications should be indicated on the camper's registration on the medication administration form on CampMinder. Please make sure all non-prescription medication is in its original container. **Campers cannot keep medications in their belongings while at camp, except for epi pens and inhalers.***

What if my camper becomes ill or injured at camp?

The health supervisor will administer first aid and follow the written procedures given by the camp physician. If a camper becomes so ill that a long rest period is required for recovery, or they cannot remain at camp, they may be sent home. If a camper's illness or injury is severe, they will be given emergency care at the scene and then the parents/guardians will be notified. In life-threatening situations, treatment may begin before notification. The following medications are stocked at camp and used (if approved on camper's health form) as an as-needed basis to manage illness and injury including: tylenol, neosporin, anti-itch cream, alow, tums, ibuprofen, benadryl, eye drops, and epipen.

How does Girl Scout insurance cover my camper?

Girl Scout insurance provides supplementary coverage to campers' personal insurance and includes sickness and accident coverage for incidents that occur during their stay at camp.

Arriving to camp healthy

Please help us keep other campers, volunteers, and staff healthy this season by keeping your camper at home if they are not feeling well or are sick. If anyone is running a fever or has any consistent symptoms/signs of a contagious illness or disease, campers may be sent home until they are symptom free and released for participation with a doctor's note from their provider.

**Please contact the health supervisor for any attendance updates for your camper during the week of camp.*

Volunteer Directors

Jamie "BZ Bee" McIntosh, camp co-director Career: Outside of volunteering for Girl Scouts, I am a school bus Operations Assistant (I drove for 13 years!) for the Pewaukee school district and a mom of three. My camp name is BZ Bee. I got this because I am very busy with Girl Scouts, work, family and having fun with crafts and reading. My camp start: I really enjoyed coming to camp as a PA and again as an adult volunteer. When I had the opportunity to become a Co-Director, I jumped at the chance. Fun fact: My daughter is an adult and is still coming out to camp. We have been coming to camp together since she was a four-year old Peewee. I convinced my husband to come along and my two sons were able to come as well. My older son is too old to come to camp anymore, my husband had a job change and can't come this year, but my youngest is coming for his last year with OG Turtle and me. We are very bummed that this will be our last year at camp, but since my youngest and Clumsy's son are not allowed to come after this year, Clumsy and I have to retire. Favorite part of camp: Being a director allows me to enjoy camp, plan fun activities, and make a positive impact in the lives of young girls. I love meeting and working with all the girls, teens and adult volunteers who come to camp. Getting to visit with girls and adults I get to drive around in the golf cart is pretty great too!

Janelle "Clumsy" Wilson, camp co-director Career: I am mostly a stay-at-home mom/caregiver. However, I also work part time at Saukville Elementary. I love working with children and teaching them new skills. I am blessed that I can create my schedule around my kid's busy lifestyles. Camp Start: My first time at Girl Scout camp is when I was a Brownie. It was something I always loved and looked forward to in the summer. I was reintroduced in 2015 when my daughter attended camp for the first time. I fell in love all over again that I quickly volunteered to be a unit leader the next year and now a camp director! Fun Fact: I love to take

pictures. I absolutely love when I stumble across all my old photographs and get to reflect on the memories of when the photo was taken. One of my favorite quotes is "I take a picture, but it is not about who is in the picture or the background of it. It's about the memories and meanings it holds." Favorite part of camp: My favorite part of camp is watching the campers grow throughout the week. I love watching them burst out of their shells and gain new confidence. I also love watching new friendships blossom throughout the week. Camp allows you to create new friendships that will last a lifetime. As this is the last year that my son is allowed at camp I will join BZ Bee in retirement, but I will miss watching you all grow.
