## PROUD MEMBERS:

The **Southeastern Hockey Association of Wisconsin** organization's goal is to introduce the youths in our area to the great game of hockey. We are dedicated to providing a positive learning experience to these youths in a way that helps them develop both inside and outside the rink.

We believe that hockey is a sport that helps develop character through **sportsmanship, respect, teamwork, and self-discipline.**

SHAW is a non-profit, volunteer run, youth hockey association, open to all kids in our area. SHAW does not discriminate on the basis of race, gender, national origin, or religious affiliations and seeks to place kids on teams together based on their abilities in order to maximize the enjoyment for all participants.

We believe in the development of sportsmanship in our players and demand it from their families.

In the end, we want to provide a positive experience for participants, family members, and our community. **Most important of all, we want our players to have FUN! It is always about the kids!!!!**
