Life skills are a main ingredient in every Girl Scout cookie.

Learning valuable life skills through the Girl Scout Cookie Program helps girls become successful business leaders, now and in the future.

Long before they assume adult roles, the program allows girls real-world opportunities to manage money, become ethical and reliable entrepreneurs, set goals, meet deadlines, work well with others, and understand customers.

Cookie season is coming

Want to help girls develop and learn the skills they'll need to be successful In life? Become a cookie volunteer.
