

PR and Media Form

Girl Scouts are doing amazing things in our community every single day. Your stories are the evidence that girls in our council are building courage, confidence, and character to make the world a better place. Share your girls' accomplishments with others in our council and to the greater community. Let's spread the news and tell others how Girl Scouts Discover, Connect, and Take Action.

Please check the informational boxes that apply to your news story on the form below and send it to us by e-mail, fax, or snail mail. Information may be included in council publications or community media.
