

## Community Event Providers

Evaluated and approved by GSWISE, *Community Event Providers* offer quality events and activities for girls, troops and families. These opportunities are specifically aligned to the Girl Scout Leadership Experience.

### How Community Event Providers work:

- Community event listings are found on our website at [gswise.org](http://gswise.org).
- Listings are organized by focus area (Arts & Theater, College & Career Exploration, Environmental Awareness, Healthy Living & Relationships, Outdoors, Sports & Fitness, STEM).
- Opportunities are updated several times throughout the year. Check [gswise.org](http://gswise.org) frequently for new events and activities.
- All registration and staffing for these events are handled by the specific hosting organization. Please contact the organization directly to register for an event or if you have questions.
- All events are reviewed and approved by GSWISE to ensure quality of activities and compliance with GSUSA's *Safety Activity Checkpoints*.

### Interested in becoming a Community Event Provider?

If you have resources or expertise to offer programming to girls or want to learn more about becoming a Community Event Provider, please email [CEP@gswise.org](mailto:CEP@gswise.org) for more information.

## Take Action

### Grades K-12

Girls can *Take Action* by impacting and benefitting communities in a greater way than ever before to make our world a better place. By going on a Girl Scout Journey or earning the Girl Scout Bronze, Silver or Gold Awards, girls will:

- Investigate issues in their community
- Identify and understand the root cause of these issues
- Develop a Take Action project that tackles an issue that is meaningful to them

Girls track the success of their project in a measurable way and gain an understanding by finding a way to ensure that the project creates lasting change, not only for the moment, but for the future as well. These three characteristics: **root issue**, **measurable**, **sustainable**, are what differentiate Take Action projects from community service projects.

Go to [gswise.org](http://gswise.org) to find ideas and links to opportunities for girls to Take Action or provide community service in a topic area they are passionate about.
