

Event Volunteer Opportunities

Many adult and teen volunteers are needed to lead or assist activities as girls rotate through a variety of activity stations at events. Event topics include environmental awareness, outdoor skills, the arts, health and wellness, STEM (science, technology, engineering, and math), business literacy and more! Volunteering is very flexible. Pick the topics, dates and number of volunteer opportunities that work for you.

Program Aide Opportunities in the Event Pathway

Girls entering grades 6-12. Have fun, strengthen your leadership skills and meet new friends while working directly with younger girls. There are no registration fees for events when you register to assist. You will need to be at least two years older than the girls you are working with. Program Aide Training gives you a base for working with younger Girl Scouts. Event specific training focuses on skills needed to assist at events. Training is encouraged but not required.

Adult Volunteers

Share your passion, have fun and positively impact girls' lives. Activities are already created and materials provided. Some events may require a specific skill, such as outdoor cooking or machine sewing, but most require no prior knowledge.

To volunteer or receive more information about volunteering at an event, email eventvolunteers@gswise.org or call 800-565-4475 and ask for event volunteer opportunities.

Event Locations:

Alice Chester, East Troy
Chinook, Waukesha
Trefoil Oaks, Kenosha
Woodhaven, Kenosha

"Being a PA will look great on my college application. It's a fun way to practice skills I need for my future job." –Jessica, 15

*"I don't think I would ever volunteer anywhere else, as I really enjoyed myself with the Girl Scouts!"
–Renee, new Adult Volunteer*
