

## 2013 Fall Nut Sale

The Fall Nut Sale is an integral part of the Girl Scout Leadership Experience and our business and economic literacy initiative for girls. Through this program activity, your Girl Scout will develop five business-building skills she will use throughout her life:

Goal Setting • Decision Making • Money Management • Working with Others • Business Ethics

Help your Girl Scout be successful by supporting and coaching her:

- Help her to network with family and friends
- Review materials together and help her learn more about her products
- Ask her questions
- Guide her to set practical goals about what she wants to earn and learn
- Listen to her describe what her troop's goals are for the money earned through the sale
- Be a role model for business ethics and safety rules
- Have fun with her!
