

Girl Scouts of Wisconsin Southeast Approved Ranches and Stables

You may only ride at ranches approved by the council for their ability to meet safety and liability requirements. Click on the ranch or stable to link to their site. Some ranches and stables have links to their waiver, for others you have to contact them and they will send you the waiver. **Remember you need to have parent/guardians sign both the GSWISE horseback riding waiver and the stables specific waiver.**

English Riding

Season: Year Round (Indoor Heated Arena)

Experience Required: No Experience Required

Program Description: Located on 67 acres in Lake Country (five miles from downtown Oconomowoc) this beautiful, clean ranch and stable teaches people of all levels how to ride safely and successfully. They help people embrace horses and learn life-long lessons that will help build confidence with young kids. Girls will get hands on experience in many aspects of horsemanship when they are placed in groups of 4-6 girls. They provide a structured riding experience where each rider always has someone with them helping them learn. Once a girl demonstrates that she is confident in stopping & steering, the handler can unhook the lead rope so the girl progresses to the next level of riding. Each group will rotate through a series of activities which can include a farm tour, grooming, handling, safety around horses, and the care of the horse. A heated & air conditioned lounge is also available for activities, snacks etc

Other Information: Equitate offers private & group saddle seat riding lessons on safe experienced school horses. We love to show riders – both kids and adults – just how fun horseback riding can be! We also host the best birthday parties where all the guests get a chance to ride and experience the horses. These parties and lessons are offered year 'round.
