OUR VISION

To bring awareness about the prevalence and devastating effects of bullying in our communities, and inspire children and adults to be upstanders. Our goal is to promote and create Upstanders throughout the nation.

OUR MISSION

To educate our children and communities concerning the importance of the love, acceptance and cooperation needed to reduce the bullying epidemic. Using our unique, hands-on, proactive approach, in combination with our creative core programs and strategic partnerships, we will provide communities with the tools and resources necessary to promote a culture of upstanders to reduce the bullying epidemic.

“85 % OF THE TIME, BULLYING WILL STOP IF THE BYSTANDER BECOMES AN UPSTANDER IN A NON-THREATENING WAY.”
