

COMMUNITY AWARENESS PROJECT FOR GIRL SCOUT CADETTES, SENIORS AND AMBASSADORS

April is Child Abuse Prevention Month and Prevent Child Abuse Wisconsin wants to partner with Girl Scouts of Wisconsin Southeast to help bring the Pinwheels for Prevention campaign to their communities. We are looking for troops to research and plan a pinwheel garden/display somewhere in their community. Girl Scouts will:

- Learn about child abuse prevention and programs in their area that serve children and families
- Gain presentation skills when contacting possible locations for a garden/display
- Create a plan for a display/garden
- Follow up with a report to Prevent Child Abuse Wisconsin
- Earn a “Pinwheels for Prevention” patch

Additional Option: Plan a Family Fun Night for families with young children – games, making a pinwheel, coloring sheets, etc. This would work well at a school, library, family resource or community center.

Prevent Child Abuse Wisconsin will provide:
