DAISY PROGRAMS
Duration: 1 1/2 hours
Pricing: $10 per Daisy
Minimum: $100
Choose one program from below

Clover’s Petal
Discover what it means to use resources wisely as we learn about ways to reduce, reuse, and recycle. Read ‘Clover’s Story’ and make a healthy snack. Then meet a live turtle and create a turtle craft out of recycled materials.

Mari’s Petal
Come practice what it means to be responsible for what you say and do. Gather around a campfire to read ‘Mari’s Story’, sing songs about environmental responsibility, and learn how to be responsible with fire. We will even make s’mores! Program available April-October.

Rosie’s Petal
Let’s go on an outdoor adventure and make the world a better place! Read ‘Rosie’s Story’ and head to the beach to help clean up litter. Afterward, enjoy a healthy snack and make bird feeders to take home. Program available April-October.

BROWNIE PROGRAMS
Duration: 2 hours
Pricing: $12 per Brownie
Minimum: $100

Bugs
Did you know that a monarch butterfly can migrate 3,000 miles to Mexico? Discover more facts about bugs as we learn how to classify these important creatures. Create a bug craft, eat a bug-themed snack, and take a guided bug hike in pursuit of learning more about the fascinating lives of insects and arachnids. Program available April-October.

Hiker
Come explore the beautiful trails at Schlitz Audubon! We start with a trail mix making ceremony to give us energy for the hike ahead. Then we head into the woods and learn “leave no trace” policies. This is perfect program for beginners to hiking. Program available February-November.

Senses
How in tune are you with your senses? Investigate your five senses through hands on activities including taste testing, smelling secret scent jars, and touching mystery textures. We’ll also observe a live animal and discover how it utilizes its senses.
JUNIOR GIRL SCOUT PROGRAMS

Duration: 2 hours
Pricing: $12 per Scout
Minimum: $100

Animal Habitats
Habitats come in many sizes and types, but each one has food, water, shelter, and space. Meet a live animal and determine what kind of habitat it would live in. Explore the many habitats found on the Center’s grounds and make a model of a habitat to take home.

Bronze Award Project
Girls pair up to make Screech Owl/American Kestrel nesting boxes. They will also get the chance to meet one of these raptors. Learn some of the past and present dangers these raptors face. Information is included about the best habitats and tree heights for placing the nesting boxes. (**extra fee: $5 per scout**, note: 1 box for every 2 girls)

Flowers
There are more to flowers than their good looks. Peek under the petals as we uncover the science behind what makes flowers bloom. We’ll take a wildflower hike, conduct flower experiments, and make a flower craft to take home. Program available April-October.

Geocaching
Embark on a high-tech treasure hunt as you learn the many skills involved in geocaching. Make something special that represents you, hide it, and have your fellow scouts search for it.
