

Girl Scout Troop Leaders,

Thank you for keeping our girls connected through Girl Scouting, which is especially important in such a unique and uncertain time!

Whether your troop meetings are in-person or virtual – your girls can stay connected, continue building their skills, and have a blast no matter where they are!

Here are new ways in which GSWISE can support your troop during this year:

Virtual Meetings with Zoom

Want to have virtual troop meetings, but don't already have a way to facilitate them? GSUSA and GSWISE are offering volunteers the ability to purchase a Zoom account at a discounted rate to make virtual troop meetings easier, reliable, and fun! Zoom licenses are available through GSUSA for \$36 per year, that is an 80% discount off the regular price of \$180.

- Please select a registered adult member of your troop to serve as the virtual meeting coordinator, as a Zoom license needs to be assigned to a specific individual.
- Go to this link to request and pay for your license:

Licenses will be issued beginning August 1, 2021. Please allow up to two weeks for your request to be processed. Licenses will be effective until 7/31/2022.

In-Person Meetings at GSWISE Facilities

Looking for a new place that your troop can meet? GSWISE camp properties and other facilities will be available during the school year, at no charge, for troop meetings. Look online for specific location and date availability (see link below). If you haven't been to a property before, this is a great way to check it out!

- Troops can reserve meeting locations once a month.
- Availability will be updated every 3 months.
- Buildings are currently operating at 50% capacity to allow for social distancing.
- All health and safety precautions at the time of use will be enforced (i.e. social distancing, masks, temperature taking and contactless check-in).
- Reservations are subject to change or cancellation based upon local health department COVID guidelines or severe weather conditions.
