Camp Silver Book, West Bend

Out of this World

Blast off to travel the camp-a-verse with the Glacier Hills Day Camp! Here you can learn to be an astronaut with our teen leaders. It doesn't matter if you want to be a student of the stars and planets, or a traveler of the dangerous terrains in our solar system, we have everything you need to be on your way into the world of space. Train to be your very own astronaut during the day at the various training courses around camp! Learn about the Milky Way while sleeping under the stars with our teen leaders in training and unit leaders. All school districts in GSWISE council and surrounding areas are welcome to travel the camp-a-verse with Glacier Hills. We hope to see you there!

Preview Day

All campers and adult volunteers are encouraged to attend our Day Camp Preview Day held on **Sunday, July 16th at 2:00 pm**, with check-in at NorthStar. It is highly recommended that you wear closed-toe shoes and bring a water bottle.

Community Service Project

Help support our local community by participating in our community service project every day during camp. Additional information will be sent with your registration information.

Adult Volunteer Details

Our day camps and events rely on adult volunteers. Having strong positive adults involved in their activities gives girls the security of knowing that there is a community of people who care and are invested in seeing her grow and succeed. Be one of them! See what your Girl Scout is doing. Meet her friends. Make new friends yourself. Volunteer to help at camp this year and see what the excitement is all about!

Pre-camp Volunteer Training and Orientation

Adult volunteers (new and returning) should plan on attending our training and orientation meetings. We encourage all new volunteers to attend our **New Volunteer Orientation on June 14th at 6:30 – 8:00 pm** (St. Luke's Lutheran Church, 4860 Arthur Rd, Slinger) to get an understanding of what happens the week of camp and receive training for basic outdoor skills. If you have been a volunteer at day camp before, we encourage you to attend our **update orientation meeting on July 12th at 6:30 – 8:00 pm** (St. Luke's Lutheran Church, 4860 Arthur Rd,

Slinger).
