Adult volunteer details

Camp works best when one or two adult volunteers make the commitment to bring a troop for the week. The girls and adults benefit from the continuity, inclusivity, and strengthening of bonds formed during the year.

When you register as a volunteer, you become one of two (or more) leaders for your girl's unit. Supervising 8-12 girls with another volunteer, you will assist with scheduled activities while building your girls' creativity, confidence, and leadership ability. It is a busy and rewarding week.

Of course, everyone cannot make a five-day commitment to volunteer. However, GSWISE requires each 2 volunteers to lead each unit every day. **To meet this minimum and ensure the girls's safety, every family is required to commit an adult volunteer to camp for at least one day at registration.**

New Girl Scout volunteers must complete the background check and adult volunteer registration process (including applicable fees) through GSWISE.

Peewees (ages 3-5) and **Boys** (ages 6-12)

Available to all volunteers on the days when the volunteer is at camp. \$15/day

Meet Your Camp Director Team

Liz “Tumbleweed” Beaudoin

Career: Marketing Director, Kathy’s House. We are a nonprofit hospital guest house, providing affordable lodging to families who need to travel to access medical care.

My camp start: I first attended camp for two days when my oldest daughter was 7. I was blown away by the amazing opportunities available to our girls - all planned by volunteers! With three daughters in Girl Scouts, I knew I wanted to get involved. I served as kitchen director for three years before moving into the camp director role in 2020.

Fun fact: I have a great memory for camp songs and know all the words to most of them. I learned from my mom, who was my troop leader growing up.

Favorite part of camp: The best part of camp is seeing the girls grow more confident as they learn new skills and build the courage to take on even bigger challenges.

AJ “Twig” Simon

Career: Facilities Director at Penzeys Spices. I am responsible for managing and maintaining numerous Penzeys Spices buildings throughout the country.

My camp start: I first attended camp when my oldest daughter was in Kindergarten. As her Girl Scout leader, I volunteered with her troop for the entire week. I had no idea what I was getting myself into, but quickly realized that I wanted to come back the next year! Having three daughters in Girl Scouts, I am definitely in this for the long haul!

Fun fact: On the side, I design, and lead students in the construction of sets for local high school musicals and plays.

Favorite part of camp: The best part of camp is seeing these girls put down their tablets, iPads, and phones, and watching them find ways to “connect” with one another on a personal level. Seeing them enjoying nature, the outdoor activities, and simply, one another, if only for a week, makes it all so worth the time it takes to make this camp experience what it is.
