### **Online Registration Instructions**

*To ensure a smooth and organized camp experience, all volunteers must register in advance. Every adult volunteer, regardless of gender, will oversee their assigned unit. Your registration confirms your role and helps us plan effectively.*

*All participants at camp, including both campers and volunteers, must be registered Girl Scout members. For the safety of our campers, adult volunteers are required to have an up-to-date background check which is covered in the \$25 registration fee. Please register at [gswise.org](https://www.gswise.org).*

*Register for camp online at*

*<https://www.gswise.org/en/members/for-girl-scouts/camp-and-outdoors.html>*

*Pay with credit/debit card (Visa, American Express, MasterCard, Discover).*

*Adults volunteering for camp register online using the same process as the camper. Adults register as campers grade 12+. After initial registration, go back into your CampMinder account and complete the required health history, transportation, volunteer days, overnights, and any other required information within one week. Failure to do so places your camper's registration in the incomplete status and creates additional follow-up by your volunteer directors. **Please contact [CustomerCare@gswise.org](mailto:CustomerCare@gswise.org) with questions or for assistance.***

### **Financial Assistance Info**

*If the cost of camp remains beyond your financial capacity, GSWISE invites you to apply for financial assistance. While registering for camp via CampMinder, please pay the required minimum deposit and check the financial assistance box in CampMinder. You will receive a form via email from GSWISE that you must complete to process your request. GSWISE treats all requests with the strictest of confidence.*

## Adult Volunteer Details

*Being a volunteer means providing a safe, caring, and most importantly fun environment for Scouts to blossom into compassionate, risk-taking, and resilient young adults. It provides a space where they know their voices are heard and they can be themselves without risking judgment from others.*

*A volunteer joins in the fun and excitement of camp alongside the campers. This day camp is 100% organized and facilitated by **volunteers**. They also provide support to our PAs (7th-9th graders) and CITs*

*(10th-12th graders) who are assigned to lead the unit. These young women are gaining experience and will benefit from your reassurance and guidance when needed. Not everyone has expertise in every aspect of camp life, so there may be times when assistance is required in time keeping, cooking, fire building, or even just helping to resolve issues in other areas.*

*A volunteer can be any individual, male or female, aged 18 and older. Every volunteer must register as a Girl Scout as well as complete the camp volunteer registration, which also applies to all one-day attendees. This includes any male volunteers that want to attend our Me & My Guy Day. Each volunteer will be assigned to a specific unit or station for each day, and you can only have one assignment per day (splitting your time between multiple assignments is not permitted). The directors need to know where every person is on camp at all times, so wandering off is not allowed, even if you know more than one child. In the event of an emergency—such as severe weather or a lost child—the directors must be aware that you are present to ensure the safety of the campers in your assigned unit. Volunteers are entitled to one*

*30-minute break per day, but this break cannot coincide with another volunteer in the same unit. If any medical issues arise, volunteers, like campers, must be seen by the nurse.*

*Spend quality time with your Girl Scout and volunteer for a day (or five!) helping her and her friends (new and old). The girls need you! One adult volunteer is needed for every 5-8 girls during each day of camp. That means each family should register at least one adult to help for a minimum one day during day camp. Volunteers don't have to be moms – dads, grandparents, family friends, young adult volunteers, Girl Scout alums, and more are welcome!*

**That Volunteer is YOU!**

## Transportation

Regardless of age, camp registration includes free bus transportation from any of four designated stops around the Oconomowoc area: Ixonia City Hall, Piggly Wiggly, OHS North, and Fleet Farm. Exact bus times will be provided later. **You are required to input your transportation choices in CampMinder for each member of the family attending camp.**

\*\* approximate pickup times = 7:40 am-7:55am

\*\* approximate drop off times = 5:00pm- 5:25pm

Times will be emailed at least 2 weeks prior to camp using the email in CampMinder that you register with.

**We are a DAY CAMP (8:30am - 4:30pm) \*For the safety of our campers, please ensure that each child is accompanied by an adult at the bus stop. The adult should remain until the camper has been checked in by the bus monitor and boards the bus. Buses will not wait past their scheduled leave time. If someone misses the bus, please drive straight to camp. \*Drop off times are approximate.**

If driving to camp, please remember that camp starts at 8:30 am. Please arrive around 10-15 minutes early so you can park in the parking lot near the gate and large shed, gather belongings for the day, and walk to the flagpole. **No one can arrive before 8:10am without permission.** There won't be anyone present until 8:10am. Buses and golf carts are the only vehicles allowed on camp property. Please be on time. ## **Volunteer Directors**

*Nicki “MaMa” Antonneau and Amanda “Ernie” Meiners lead the way as your Volunteer Camp Directors. Together, they bring an impressive 69 years of experience directly involved with Lakeland Day Camp, even without having children in Girl Scouts themselves. Their mission is to ensure that each camper enjoys a remarkable experience filled with activities designed to foster personal growth, boost confidence, and enhance leadership and teamwork skills.*

*MaMa and Ernie have assembled a dedicated team of volunteers who are committed to planning and enriching Lakeland Day Camp. Many members of this team are former campers themselves who have returned to give back, often bringing their own children along, or, like MaMa and Ernie, participating without current camp-aged kids.*

*They are eager to connect with you!  
Please don’t hesitate to reach out with any questions or concerns, or to share the positive experiences your family has had at Lakeland Day Camp. Your feedback is invaluable to them as they strive to create the best possible environment for all campers. Email the camp at:
