Adult Volunteer Details

Our camp relies on adult volunteers. Having strong positive adults involved in their activities gives girls the security of knowing that there is a community of people who care and are invested in seeing her grow and succeed. Be one of them! See what your Girl Scout is doing. Meet her friends. Make new friends yourself. Volunteer to help at camp this year and see what the excitement is all about!

Peewees (boys and girls ages 3-5) and Boys (ages 6-12) are welcome on days the parent/guardian is volunteering (fee: \$15 per day), but they must be potty-trained and mature enough to participate in a full day of camp.

A volunteer meeting for all adults will be on Sunday, July 28 at 2:00 pm. We will discuss activities regarding the theme for the week, schedules with information on what to expect from all the “specials”, planned activities, unit rosters, outdoor cooking, ... and a camp tour. We will be ordering our camp food from the Oconomowoc Piggly Wiggly this year. If you are able, please contact Red (Keri) or Cherry (Sue) to help with the pickup and transport to camp of the food for the week. We will meet at the Pig at 11 am.

- Background checks for all adult staff and volunteers

How do parents prepare medications for camp?

All medications, prescriptions, and non-prescriptions, must be given to the health supervisor in the morning. All medications must come to camp in its pharmacy bottle with the camper's name, name of the medication, and current dosage clearly written on the bottle. Without this information, the medication will not be accepted. All medications should be indicated on the camper's registration on the medication administration form on CampMinder. Please make sure all non-prescription medication is in its original container. **Campers cannot keep medications in their belongings while at camp, except for epi pens and inhalers.**

What if my camper becomes ill or injured at camp?

The health supervisor will administer first aid and follow the written procedures given by the camp physician. If a camper becomes so ill that a long rest period is required for recovery, or they cannot remain at camp, they may be sent home. If a camper's illness or injury is severe, they will be given emergency care at the scene and then the parents/guardians will be notified. In life-threatening situations, treatment may begin before notification. The following medications are stocked at camp and used (if approved on camper's health form) as an as-needed basis to manage illness and injury including: tylenol, neosporin, anti-itch cream, alow, tums, ibuprofen, benadryl, eye drops, and epipen.

How does Girl Scout insurance cover my camper?

Girl Scout insurance provides supplementary coverage to campers' personal insurance and includes sickness and accident coverage for incidents that occur during their stay at camp.

Arriving to camp healthy

Please help us keep other campers, volunteers, and staff healthy this season by keeping your camper at home if they are not feeling well or are sick. If anyone is running a fever or has any consistent symptoms/signs of a contagious illness or disease, campers may be sent home until they are symptom free and released for participation with a doctor's note from their provider.

*Please contact the health supervisor for any attendance updates for your camper during the week of camp.

Volunteer Directors

Sue "Cherry" Borth, Camp Co-Director

Career: I am a medical technologist (Clinical Laboratory Scientist) for over 40 years in the area of chemistry and safety. My camp start: I went to Girl Scout day camp as a girl in Milwaukee and Racine. I volunteered for years with both my daughters' troops at camp. I started as co-director in 1993 and have continued because I LOVE CAMP!

Fun fact: Both of my daughters grew up at camp each summer well into their twenties. My camp name has been Cherry since I was 10 years old. I had strawberry blonde hair but 'Strawberry' was too long, so I picked my favorite fruit...cherries. I also love camping, gardening, quilting and my beagle.

Favorite part of camp: I love being director because I can make such a big difference in the lives of our many local Girl Scouts, young adults, adults and families. We have FUN! Guaranteed!

Keri “Red” Agnello, Camp Co-Director

Career: Degree in Communications. Currently homeschooling my children.

My camp start: I started volunteering at camp in 2015 working with camper units and behind the scenes with the day camp team. I became co-director for day camp 2019.

Fun fact: Love crafts of all kinds!

Favorite part of camp: My favorite thing about volunteering at camp is being part of a large welcoming camp family. “Scouting rises within you and inspires you to put your best.”, Juliette Gordon Lowe.
