Dear [Insert Contact],

Please join me in congratulating [insert Bronze Award Girl Scout's name]. She recently achieved her Girl Scout Bronze Award with Girl Scouts of Wisconsin Southeast after completing her [insert title of Bronze Award project] project.

[Briefly describe the community issue her project addressed, her target audience, and how she addressed the issue]

The Girl Scout Bronze Award is the highest award a Girl Scout in grades 4-5 can earn. To achieve this award, girls spend a minimum of 20 hours making a positive impact in their community. By identifying a community need, then implementing a project to address the issue, they learn valuable leadership skills and are becoming lifelong active members in society.

Again, please join me and the Girl Scouts of Wisconsin Southeast in recognizing and congratulating [insert Bronze Award Girl Scout's name] for earning this impressive award.

Sincerely,

[Your Name]
