**Online Registration Instructions**

\*Everyone who attends camp (**campers AND volunteers**) are required to be a registered Girl Scout member. Adults must have a current background check for the safety of our campers. Please register at [www.gswise.org](http://www.gswise.org)

Register for camp online at <https://www.gswise.org/en/members/for-girl-scouts/camp-and-outdoors.html>

Pay with credit/debit card (Visa, American Express, MasterCard, Discover).

Adults volunteering for camp register online using the same process as the camper. Adults register as campers grade 12+. After initial registration, go back into your CampMinder account and complete the required health history, transportation, volunteer days, overnights, and any other required information within one week. Failure to do so places your camper's registration in the incomplete status and creates additional follow-up by your volunteer directors. Please contact [CustomerCare@gswise.org](mailto:CustomerCare@gswise.org) with questions or for assistance.

### Financial Assistance Info

If the cost of camp remains beyond your financial capacity, we invite you to apply for financial assistance. Please pay the required minimum deposit and check the financial assistance box in CampMinder. You will receive a form via email that you must complete to process your request. We treat all requests with the strictest of confidence.

Camp session is <b>full or canceled by the council</b>	Full refunds will be issued, including camp deposit. Allow two weeks for refund processing and receipt.

### Adult Volunteer Details

Our day camps and events rely on adult volunteers. One adult volunteer is needed for every 5-8 girls during each day of camp. That means each family should register at least one adult to help for a minimum one day during day camp. Volunteers don't have to be moms – dads, grandparents, family friends, young adult volunteers. Having strong positive adults involved in their activities gives girls the security of knowing that there is a community of people who care and are invested in seeing her grow and succeed. Be one of them!

Peewees (boys and girls ages 3-5) and Boys (ages 6-12) are welcome on days the parent/guardian is volunteering (fee: \$15 per day), but they must be potty-trained and mature enough to participate in a full day of camp.

### Transportation

You are required to input your camper's transportation information in your camper's registration. This is a separate form, Day Travel Form, that you are required to complete after your camper application has been completed. You can access all of your registration forms through CampInTouch.

### Food and Allergies

The Glacier Hills Day Camp enjoys providing a lunch for all campers and volunteers that attend our camp. We provide a kid-friendly menu created by our Program Aides and is age level appropriate for each camper to make their own meal. If you are an adult volunteer, we encourage you to learn how to start and cook over a fire, but we have volunteers available to help get one started when it is needed for lunchtime.

## FAQs

- What are the plans for lunch?
  - Monday: Bring your own bag lunch (refrigeration can be provided)
  - Tuesday: One pot meal
  - Wednesday: Pudgy Pie meal
  - Thursday: Foil meal
  - Friday: Buffet style, all camp meal
- Are snacks provided daily?
  - Yes, snacks are provided to each camper, but we ask that on Monday each camper brings at least one cup of a snack item to create a Unit Trail Mix (no nuts or chocolate please).
- Is your camp nut aware/free?
  - We are nut aware and will create a nut free camp if anyone attending camp has a nut allergy or sensitivity.
- Does your camp accommodate allergens/picky eaters?
  - Our camp provides food for any gluten, nut, or dairy allergies that are identified on the medical administration form.
- Should parents pack lunch for strict allergies or picky eaters?
  - If you or your camper has any other allergies or dietary restrictions that are not gluten, nut, or dairy, parents should pack a lunch. Refrigeration can be provided.
  - We encourage all campers to try the food at camp, but bagged lunch can be sent each day if a parent wishes. Refrigeration can be provided.

## Health Information

Your camper's safety is our number one priority. We follow state licensing, American Camp Association Accreditation, and Girl Scout safety standards. Our standards include, but are not limited to:

- Certified lifeguards, health supervisors, behavioral health specialists, first aiders, and high-risk activity instructors
- Background checks for all adult staff and volunteers
- Training for all staff and volunteers to prioritize your camper's physical, mental, and emotional wellbeing
- Camps are licensed and inspected by state health inspectors
- Weather is monitored, and plans are in place for heat, storms, and other emergencies

### **How do parents prepare medications for camp?**

All medications, prescriptions, and non-prescriptions, must be given to the health supervisor in the morning. All medications must come to camp in its pharmacy bottle with the camper's name, name of the medication, and current dosage clearly written on the bottle. Without this information, the medication will not be accepted. All medications should be indicated on the camper's registration on the medication administration form on CampMinder. Please make sure all non-prescription medication is in its original container. **Campers cannot keep medications in their belongings while at camp, except for EpiPens and inhalers.**

### **What if my camper becomes ill or injured at camp?**

The health supervisor will administer first aid and follow the written procedures given by the camp physician. If a camper becomes so ill that a long rest period is required for recovery, or they cannot remain at camp, they may be sent home. If a camper's illness or injury is severe, they will be given emergency care at the scene and then the parents/guardians will be notified. In life-threatening situations, treatment may begin before notification. The following medications are stocked at camp and used (if approved on camper's health form) as an as-needed basis to manage illness and injury including: Tylenol, Neosporin, anti-itch cream, aloe, tums, ibuprofen, Benadryl, eye drops, and EpiPen.

### **How does Girl Scout insurance cover my camper?**

Girl Scout insurance provides supplementary coverage to campers' personal insurance and includes sickness and accident coverage for incidents that occur during their stay at camp.

### **Arriving to camp healthy**

Please help us keep other campers, volunteers, and staff healthy this season by keeping your camper at home if they are not feeling well or are sick. If anyone is running a fever or has any consistent symptoms/signs of a contagious illness or disease, **campers may be sent home until they are symptom free and released for participation with a doctor's note from their provider.**

\*Please contact the health supervisor for any attendance updates for your camper during the week of camp.

### **Communication**

We prioritize open communication and strive to provide comprehensive information. Monthly updates are shared with our troop leaders during Leadership meetings. Once registration closes, we send an email confirmation to all registered families. Additionally, we hold a volunteer meeting before camp to ensure everyone has the necessary information. A confirmation email will be sent to all registered families one month prior to the start of camp. For any questions, email remains the quickest way to reach our camp volunteer staff.

### **Volunteer Director**

For the past 11 years, I've proudly been a part of the Glacier Hills Girl Scout family, and I've served as the Glacier Hills Day Camp Volunteer Director for the last 4 years. My campers lovingly call me Froggie.

Outside of Girl Scouts, I cherish time with my family, often embarking on road trips to explore the beautiful sights of Wisconsin. I also have a passion for scuba diving, which adds a splash of adventure to my life.
