Adult Volunteer Details

Our day camps and events rely on adult volunteers. Having strong positive adults involved in their activities gives girls the security of knowing that there is a community of people who care and are invested in seeing her grow and succeed. Be one of them! See what your Girl Scout is doing. Meet her friends. Make new friends yourself. Volunteer to help at camp this year and see what the excitement is all about!

Adult volunteers (new and returning) should plan on attending our training and orientation meetings. We encourage all new volunteers to attend our **New Volunteer Orientation on June 12th at 6:30 – 8:00 p.m.** (St. Luke's Lutheran Church, 4860 Arthur Rd, Slinger) to get an understanding of what happens the week of camp and receive training for basic outdoor skills. If you have been a volunteer at day camp before, we encourage you to attend our **update orientation meeting on July 10th at 6:30 – 8:00 p.m.** (St. Luke's Lutheran Church, 4860 Arthur Rd, Slinger).

- Yes, snacks are provided to each camper, but we ask that on Monday each camper brings at least 1 cup of a snack item to create a Unit Trail Mix (no nuts or chocolate please).

 - Our camp provides food for any Gluten, Nut, or Dairy allergies that are identified on the medical administration form.
- Should parents pack lunch for strict allergies or picky eaters?
 - If you or your camper has any other allergies or dietary restrictions that is not Gluten, Nut, or Dairy, parents should pack a lunch. Refrigeration can be provided.

Health Information

Your camper's safety is our number one priority. We follow state licensing, American Camp Association Accreditation, and Girl Scout safety standards. Our standards include, but are not limited to:

- Certified lifeguards, health supervisors, behavioral health specialists, first aiders, and high-risk activity instructors
- Background checks for all adult staff and volunteers
- Training for all staff and volunteers to prioritize your camper's physical, mental, and emotional wellbeing
- Camps are licensed and inspected by state health inspectors
- Weather is monitored, and plans are in place for heat, storms, and other emergencies

How do parents prepare medications for camp?

All medications, prescriptions, and non-prescriptions must be given to the health supervisor in the morning. All medications must come to camp in its pharmacy bottle with the camper's name, name of the medication, and current dosage clearly written on the bottle. Without this information, the medication will not be accepted. All medications should be indicated on the camper's registration on the medication administration form on CampMinder. Please make sure all non-prescription medication is in its original container. **Campers cannot keep medications in their belongings while at camp, except for epi pens and inhalers.**

What if my camper becomes ill or injured at camp?

The health supervisor will administer first aid and follow the written procedures given by the camp physician. If a camper becomes so ill that a long rest period is required for recovery, or they cannot remain at camp, they may be sent home. If a camper's illness or injury is severe, they will be given emergency care at the scene and then the parents/guardians will be notified.

In life-threatening situations, treatment may begin before notification. The following medications are stocked at camp and used (if approved on camper's health form) as an as-needed basis to manage illness and injury including Tylenol, Neosporin, anti-itch cream, Aloe, tums, ibuprofen, Benadryl, eye drops, and EpiPen.

How does Girl Scout insurance cover my camper?

Girl Scout insurance provides supplementary coverage to campers' personal insurance and includes sickness and accident coverage for incidents that occur during their stay at camp.

Arriving to camp healthy

Please help us keep other campers, volunteers, and staff healthy this season by keeping your camper at home if they are not feeling well or are sick. If anyone is running a fever or has any consistent symptoms/signs of a contagious illness or disease, campers may be sent home until they are symptom free and released for participation with a doctor's note from their provider.

*Please contact the health supervisor for any attendance updates for your camper during the week of camp.
