Online Registration Instructions

To ensure a great camp experience, all volunteers must register in advance. Every adult volunteer will oversee their assigned unit. Your registration confirms your role and helps up plan effectively.

Everyone who attends camp (**campers AND volunteers**) are required to be a registered Girl Scout member. Adults must have a current background check for the safety of our campers. Please register at [gswise.org](https://www.gswise.org)

Register for camp online at <https://www.gswise.org/en/members/for-girl-scouts/camp-and-outdoors.html>

Pay with credit/debit card (Visa, American Express, MasterCard, Discover).

Adults volunteering for camp register online using the same process as the camper. Adults register as campers grade 12+. After initial registration, go back into your CampMinder account and complete the required health history, transportation, volunteer days, overnights, and any other required information within one week. Failure to do so places your camper's registration in the incomplete status and creates additional follow-up by your volunteer directors. Please contact CustomerCare@gswise.org with questions or for assistance.

Adult Volunteer Details

Our day camps and events rely on adult volunteers. Having strong positive adults involved in their activities gives girls the security of knowing that there is a community of people who care and are invested in seeing her grow and succeed. Be one of them! See what your Girl Scout is doing. Meet her friends. Make new friends yourself. Volunteer to help at camp this year and see what the excitement is all about!

This day camp is 100% organized and facilitated by **volunteers**. Spend quality time with your Girl Scout and volunteer for a day (or five!) helping her and her friends.

The girls need you! One adult volunteer is needed for every 5-8 girls during each day of camp. That means each family should register at least one adult to help for a minimum one day during day camp. Volunteers don't have to be moms – dads, grandparents, family friends, young adult volunteers, Girl Scout alums, and more are welcome!

Peewees (boys and girls ages 3-5) and Boys (ages 6-12) are welcome on days the parent/guardian is volunteering (fee: \$15 per day), but they must be potty-trained and mature enough to participate in a full day of camp.

Transportation

Regardless of age, camp registration includes free bus transportation from one of two locations. The bus stops are Life Church in Germantown or St. Gabriel's Church in Hubertus. Exact bus times will be provided later.

You are required to input your transportation choices by going into your registration and selecting more forms. This is needed for each member of the family attending camp.

If driving to camp, please remember that camp starts at 9:00 am. Please arrive around 10-15 minutes early so you can park and walk to flag.

- Certified lifeguards, health supervisors, behavioral health specialists, first aiders, and high-risk activity instructors
- Background checks for all adult staff and volunteers

How do parents prepare medications for camp?

All medications, prescriptions, and non-prescriptions must be given to the health supervisor in the morning. All medications must come to camp in its pharmacy bottle with the camper's name, name of the medication, and current dosage clearly written on the bottle. Without this information, the medication will not be accepted. All medications should be indicated on the camper's registration on the medication administration form on CampMinder. Please make sure all non-prescription medication is in its original container. **Campers cannot keep medications in their belongings while at camp, except for epi pens and inhalers.**

What if my camper becomes ill or injured at camp?

The health supervisor will administer first aid and follow the written procedures given by the camp physician. If a camper becomes so ill that a long rest period is required for recovery, or they cannot remain at camp, they may be sent home. If a camper's illness or injury is severe, they will be given emergency care at the scene and then the parents/guardians will be notified. In life-threatening situations, treatment may begin before notification. The following medications are stocked at camp and used (if approved on camper's health form) as an as-needed basis to manage illness and injury including: Tylenol, Neosporin, anti-itch cream, aloe, tums, ibuprofen, Benadryl, eye drops, and EpiPen.

How does Girl Scout insurance cover my camper?

Girl Scout insurance provides supplementary coverage to campers' personal insurance and includes sickness and accident coverage for incidents that occur during their stay at camp.

Arriving to camp healthy

Please help us keep other campers, volunteers, and staff healthy this season by keeping your camper at home if they are not feeling well or are sick. If anyone is running a fever or has any consistent symptoms/signs of a contagious illness or disease, **campers may be sent home until they are symptom free and released for participation with a doctor's note from their provider.**

*Please contact the health supervisor for any attendance updates for your camper during the week of camp.
