## WHAT IS DAY CAMP BY COMMUNITY (DCC)?

Day Camp by Community is a tradition that brings together an entire community for one fun and fabulous week of time-honored camp activities.

The DCC model is entirely volunteer run. That means that every part of our camp is planned, led and executed by volunteers from the Elmbrook community. Most of the girls who attend our camp live in the Elmbrook School district, and every family is required to volunteer at least one day during camp.

At camp, your troop becomes a "unit." Every unit is led by two or more adult volunteers from your troop.

## Why should I bring my troop to camp?

- Outdoor Skills
- Campfire Cooking
- Archery
- Arts & Crafts
- Hiking
- Nature
- Woodworking
- Songs & Games
- Fishing, Boating and Swimming
- Tent camping (Grade 4 and up)
- Badge Work

## HOW TO GET STARTED

### Bring Your Troop to Camp

We've found that the best camp experiences happen when a troop attends camp together. Therefore, we encourage troop families to work together now to establish lead and supporting volunteers for their camp week. The result will be a cohesive unit and a fun experience for girls and adults in your unit.

# SAFE SUPERVISION AND VOLUNTEER REQUIREMENTS

Safety is our top priority. GSWISE has strict rules dictating adult volunteer:camper ratios. Moreover, adequate supervision ensures a safe and positive experience for all girls. Therefore, we require every family to volunteer at least one day during camp week.

*Please note that every adult at camp must complete the GSWISE registration process. This includes paying a registration fee and undergoing a background check. Learn more and register at [gswise.org](http://gswise.org)*

## Troop Responsibilities

Individual troops have a responsibility to plan and ensure adequate adult coverage, and our volunteer administrators have limited time to manage individual unit coverage.

**Each troop should select a volunteer coordinator. This adult volunteer will ensure that families meet the volunteer requirement and that the unit's coverage complies with GSWISE guidance.**

## Planning for Individually Registered Members

Any girl from a troop without a volunteer coordinator will be waitlisted until such time as a volunteer coordinator is identified to camp leadership. Individually registered members or those from troops without a volunteer coordinator will remain on the waitlist until such time that a unit has space for them.

Unsure whether DCC is the right fit?

We are happy to help with discerning if our camp is right for you, or if a camp run by paid GSWISE staff might be a better option for your needs and availability! Please email [whisperingtrailsdirector@gmail.com](mailto:whisperingtrailsdirector@gmail.com) with any questions or concerns.

## Get Involved

As a volunteer-run operation, our camp relies entirely on volunteers to be successful. Volunteers create programming, shop for and prep supplies, create menus, purchase food, lead training, organize transportation and units, schedule units, supervise, and administer the entire camp.

Camp is only successful with help from everyone who attends. Whatever your interests, skills, and availability, there is a role for you at camp. **Contact Liz at [whisperingtrailsdirector@gmail.com](mailto:whisperingtrailsdirector@gmail.com) to learn about the many ways to get involved.**

## Registration
