2027 GSWISE Summer Camp

Adventure Starts Here

Camp is more than fun – it’s an experience that helps campers grow into their best selves.

Tune Into Nature

Campers enjoy the present moment and appreciate the great outdoors when they hike, soak up the sun, climb to new heights, and jump into the refreshing lake.

Grow Your Grit

Whether campers try archery, cooking over the campfire, or paddling solo on the water – they’ll test their strengths, and learn they’re tougher than they think.

Gain Independence

Campers try new activities that make them more self-reliant, confident, and able to discover new interests.

Create Healthy Relationships

Camping and learning together creates friendship, teamwork, and leadership. Plus, campers get to laugh, be silly, and make new besties!

Have Fun

Camp helps campers find what makes them happy – and what can bring joy for years to come!

“Camp leaders recognize the strengths and challenges of each girl and provide the right guidance when needed. They give the girls space to try and fail while providing them with the support and encouragement to keep learning and growing.” - GSWISE Troop Leader

There's a Camp for Everyone

GWISE Day Camp

Day camp sessions in East Troy last for five days. Campers enjoy camp during the day and then go home to sleep at night. Each session has a fun theme, like art, STEM, animals and nature, outdoors, or sports and games.

Camp Alice Chester Overnight Camp

These sessions in East Troy are two or more nights long. Campers sleep in a troop house, A-frame cabin, or a platform tent. Campers enjoy classic camp activities like swimming, boating, arts n' crafts, nature exploration, sports and games, and more, all based on that week's theme. Teen campers can expand their leadership with our Counselor-In-Training sessions.

Camp Alice Chester Adventure Trips

These trips last for three nights or more. Campers will learn about a special interest or high adventure skill, like paddling, horseback riding, climbing, and more. They may stay at camp the entire session or they may leave for a day or more, depending on the level of the trip.

Day Camps by Community

Sessions at these completely volunteer-led camps last five days and take place in East Troy, West Bend, Waukesha, or Kenosha. They're a great way to join your local Girl Scout community. During the week, campers explore the outdoors, build friendships, develop leadership skills, and create lifelong memories.

Camps happen because of volunteers. Each camper family must have one adult volunteer for one day. Volunteering allows you to enjoy camp with your camper and helps keep camp safe and fun for all campers.

CampHERO

This five-night camp is for campers in grades 7-12 who want to learn what it's like to be a first responder. Campers get hands-on training from real police officers, firefighters, and EMS workers. During the day, campers learn and practice skills at the Milwaukee Area Technical College Oak Creek campus, and at night, they stay indoors at Camp Alice Chester in East Troy.

Camp Standards

Our camps meet the established standards for health, safety, program, and personnel criteria set by federal, state, and local governments, as well as standards set by Girl Scouts of the USA. Camp Alice Chester is proud to be accredited by the American Camp Association (ACA), a national organization and industry leader. This accreditation means it meets very high standards to keep campers and staff safe and to make sure the programs are high quality.

Camper Quiz

Step 1

Girl Scouts: take this quiz to help you decide what type of summer camp experience is for you! Keep track of the points as you answer—and be honest about what you are interested in and what you feel ready for. At the end of the quiz, add up the points.

Readiness Points Scale:

3 = You bet! 2 = Maybe 1 = Not yet

Step 2

Quiz Questions	Points
Do you enjoy overnight slumber parties at a friend's house?	_____
Do you like outdoor activities such as hiking and swimming?	_____
Are you willing to try new foods that you haven't eaten before?	_____
Are you excited to go without TV, video games, computers, and a cell phone?	_____
Does going on a new adventure make you feel excited?	_____
Do you like to meet new people and interact with other campers, not just your buddy?	_____
Can you shower, brush your teeth, and do your hair without much help?	_____
Do you enjoy being a part of group activities?	_____
Are you ready to sleep in a tent or cabin with 4–8 campers, knowing your counselors are in a different tent nearby?	_____
Are you willing to help with camp chores such as sweeping your cabin, setting tables in the dining hall, and picking up trash?	_____
Do you easily make new friends and feel at ease in new environments?	_____
Are you willing to take turns and share with others?	_____
Can you sleep at night without a light on?	_____
Are you excited about going away to camp?	_____

Step 3

Add up the points and see what best fits your needs and interests!

Less than 18 points: You may not be sure you're ready for overnight camp. Talk more with your family and friends about the idea. Experiment by trying some of the things mentioned in the quiz or sign up for a day camp session.

19–24 points: You are ready for Day Camp with an overnight option, or try our short sessions of overnight camp.

25+ points: You are ready for any overnight camp adventure!

Day Camps by Community

Get Ready to Color Your Summer!

This summer, let your true colors shine! Bring your ideas, imagination, and love of adventure to camp. You can make colorful crafts, try fun challenges, explore outside, learn new things, and make new friends. Each day is a chance to try, create, and grow.

At camp, campers can be themselves, try new things, and learn what makes them special. Through fun activities, camp traditions, and new adventures, campers will build confidence, use their creativity, and let their colors shine.

Be bold. Be brave. Be creative. Be yourself.

Day Camps are held for communities throughout southeastern Wisconsin for five days at Camp Alice Chester, Camp Silver Brook, Chinook Program Center, or Trefoil Oaks Program Center. Each camp is run by adult volunteers and led by teens who want to give local Girl Scouts the best outdoor experience.

What new skills will campers learn?

Camp activities are planned for each age group. Younger campers start with easier activities. These may include outdoor skills, archery, and boating. As campers get older, the activities get harder. This helps campers build skills and confidence. They are ready for bigger challenges when the time is right.

Here is an example with target skills: Daisies and Brownies may use slingshots. Brownies and Juniors may learn archery. Older Girl Scouts practice harder target skills like hatchet throwing.

Day Camps by Community Locations

While Day Camps by Community are volunteer-led, each camp is owned by GSWISE and maintained by GSWISE staff. Camps feature a mix of buildings, outdoor shelters, forests, and open spaces.

Day Camps by Community

Volunteers Make Day Camps by Community Possible

Adults from each household are needed to volunteer one (or more!) days!

Day Camps by Community are run by volunteers - including parents and caregivers like you! For each day of camp, one adult is needed for every five to eight campers to follow Girl Scouts' camper to adult ratio. This means each family or troop needs an adult to volunteer one or more days to help keep camp safe and fun. For most camps, campers will be put on a waitlist until a family member registers to volunteer. Campers may also move off the waitlist if their troop provides enough adult volunteers for the week for their troop.

How to Register to Volunteer

Step 1: Register as a member of Girl Scouts at www.gswise.org and complete an online background check.

Step 2: Register for the camp session your camper will attend. Go to www.gswise.org/summercamp. Choose grade 12+.

Adults who are not already a registered member will need to pay the \$30 membership fee. The membership is good through September 30, 2027 and includes your background check and Girl Scout insurance while participating at camp, in events, or with your troop.

The Magic of Volunteering

Troop leaders: Volunteering gives you a chance to learn new skills to use with your troop during the school year. Plus, you'll learn lots of songs, games, and skills the Girl Scouts can enjoy at troop meetings.

Caregivers and family members: Volunteering gives you special time with your camper to watch their independence and skills grow.

What does my day look like when I volunteer?

Show up ready for fun! You will be assigned to be part of a unit or at an activity station with other adults, CITs, and PAs. You will be given a schedule, map of camp, and resource binder. The CITs and PAs know their way around camp and will help lead activities and get you where you need to be.

Your time will be spent:

- Helping your unit prepare their lunch when cooking over a fire (we have online and in-person outdoor cooking training and the PAs/CITs can assist with this)
- Helping campers choose an activity to do during free time (you will be given a list of easy activities you can do)
- Assisting campers getting to activities on time
- Making sure everyone is included
- Helping campers make new friends
- Encouraging campers as they try new activities

You don't need to be an experienced camper—your role will be to help campers enjoy camp, have fun, explore, and discover new possibilities. And of course, we want you to have fun too!

All camps offer a volunteer orientation. You can also attend Day Camp 101 Virtual Training offered in the spring in the 2026-2027 Program Guide or online at www.gswise.org. We want to make sure you feel comfortable when you are at camp, and we will answer all of your questions before your camp begins.

Teen Leadership at GSWISE Day Camp and Day Camp by Community

Teen Girl Scouts Needed!

Teen Girl Scouts help younger campers get out of their comfort zones and try new things. We'll give you the training you need to become a role model for younger Girl Scouts.

Bonus service hours You can earn 35+ service hours in one week! Girl Scouts can also work towards or earn the Program Aide pin or Community Service to Girl Scouting bar by volunteering at Girl Scout summer camp.

How you will help:

Program Aide-in-Training (PAIT) (Girl Scouts in grade 6): See what being a Program Aide (PA) is all about as you shadow the PAs and try leading younger campers in activities. PAITs pay camper fee.

Program Aide (PA) (Girl Scouts in grades 7-9): Lead younger campers as you become a leader. Work with an adult mentor to improve your skills.

Counselor-in-Training (CIT) (Girl Scouts in grades 9-12): Master your skills by leading activities or a unit.

PAs and CITs do not pay the session fee, but pay a fee for any overnights/late nights.

How teen Girl Scouts sign up:

- Step 1: Make sure you are a registered Girl Scout before you start your Summer Camp 2027 registration. Anyone that is not a current member will be registered as a Girl Scout for \$90 plus an additional fee for enrollment support and camp service fees. You can avoid the Camp + Membership Package fee by registering yourself before registering for camp. Join, renew, or check your membership status at www.gswise.org.
- Step 2: Register for your camp session at www.gswise.org/summercamp beginning November 17 at noon.
- Step 3: Attend PA Core training or CIT training if you haven't already.
- Step 4: Attend camp training/orientation/planning meetings as required by your camp.

Did you know?

Cadettes who earn the Program Aide Award and Seniors/Ambassadors who earn the Counselor-in-Training Award are already on their way to achieving the Highest Awards in Girl Scouting! These awards fulfill the prerequisites for the the Silver and Gold Awards!

GSWISE Day Camp

Fairytales and Fantasy

Step into a summer full of magic! At camp, every day feels like a new fairytale. Campers may hike through enchanted woods, search for hidden treasure, build fairy houses, make royal crafts, and play games fit for brave princesses and clever wizards. Around every corner, there is a chance to imagine, explore, and try something new. Campers will make friends, sing songs, laugh by the campfire, and create their own happy ending. Come join the adventure where dragons may be pretend, but the fun is very real!

GSWISE Day Camp lasts four or five days in East Troy. It's a great chance to try new things! Trained staff will lead campers in hands-on activities where they can learn, build confidence, and make new friends.

Campers can try new things through our badge programs! Badges show what campers have learned and done. Girl Scouts of the USA is changing many badges. The new badges will come out next spring. We do not know the exact badge campers will earn yet, but we can share the topic they will learn about. Campers register for the grade they are in this school year but earn badges for the grade they are going into next fall.

Each week's theme has activities that grow with you as you get older. In addition to badges, campers will enjoy favorite traditions like swimming, boating, hiking, target sports, songs and games, outdoor cooking, and climbing the rock wall.

Our trained staff help every camper have the best time at camp. They encourage campers to try new activities, make new friends, and feel a part of the camp family.

Camp Alice Chester Overnight Camp

Fairytales and Fantasy at Overnight Camp

At Camp Alice Chester overnight camp, campers get to try more things on their own. They learn how to take care of their belongings, follow a schedule, help with cabin chores (kapers), and make choices each day. Campers will also enjoy fun activities, like building a safe campfire for a castle feast, shooting arrows like Robinhood, cooking outside like woodland travelers, hiking through enchanted trails, boating across a magical lake, climbing the rockwall castle walls, or sleeping under the stars like storybook heroes.

With support from caring trained staff, campers grow braver, more confident, and more ready to try new things.

We love for campers to earn badges related to their camp activities or the theme to show what they have learned. Girl Scouts of the USA is changing many badges. The new badges will come out next spring. We do not know the exact badge campers will earn yet. We can share the topic they will learn about. If campers don't finish a badge during a shorter session, we will let parents know what they need to do to complete it. Campers register for the grade they are in this school year but earn badges for the grade they are going into next fall.

Flexible pricing

Girl Scouts of Wisconsin Southeast helps cover some of the cost of summer camp. This means camp actually costs more to run than what families pay. For each session, there are two price options:

Tier 1 covers 75% of what it really costs to run camp for each camper. The prices for Tier 1 change depending on when you register: by December 17, from December 18 - March 1, and March 2 and on.

Tier 2 covers the full cost of running camp for each camper.

Choosing Tier 1 or Tier 2 will not change the fun or quality of camp. Flexible pricing helps make sure all campers can come and enjoy camp, no matter a family's financial situation. When you select a Tier 2 fee, you are investing in keeping the camp experience accessible for all current and future Girl Scouts.

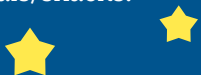

The fee includes a T-shirt, patch, programming, and all meals/snacks.

Camp Scholarships Available

If camp costs more than your family can pay, apply for a camp scholarship. First, pay the required minimum deposit and then request a camp scholarship application in CampMinder. You will get a form by email that you need to fill out. All requests are private and kept confidential.

Camp + Membership Package

Campers who are not registered Girl Scout members when they register for camp can opt to pay a higher Camp + Membership Package fee, which includes the \$90 Girl Scout membership and a \$20 fee for enrollment support and camp service fees. If you wish to avoid the Camp + Membership Package fees, please ensure your camper is a registered Girl Scout member before registering for a camp session(s). During registration, the Camp + Membership Package will be listed as non-member during checkout.

As CITs build their skills they get a chance to see what it takes to live and work at camp for multiple weeks. After successfully completing Counselor-in-Training III, campers are invited to work at camp the next summer!

Camp Alice Chester Adventure Trips

As campers get older, some want to explore places outside of camp. Adventure Trips help campers build confidence, learn new skills, and enjoy safe adventures with adult counselors. Older campers may take longer trips, travel farther, or learn more skills. Here are important things to know about our Adventure Trips:

- Some trips need special skills or training. For these trips, we work with skilled guides and experts. These trips may include horseback riding, climbing, or longer paddling trips. These guides increase the cost, but they help us make sure the campers stay safe and comfortable.
- All trip companies and guides must follow GSUSA safety rules, ACA camp standards, and our insurance rules.
- All of our trip locations are in Wisconsin, unless otherwise stated.
- At least two camp staff members go with campers on every Adventure Trip.
- For trips that stay overnight away from camp, at least one lead counselor is age 21 or older.
- The lead counselor on an overnight trip gets extra training. This prepares the counselor to handle emergencies, changes in plans, and bad weather.
- To keep campers safe, trip activities may change or be canceled because of the weather.
- Campers can still enjoy favorite camp activities, even when they travel away from camp. These may include swimming, boating, nature, and arts and crafts. Campers may do these activities during the trip or before or after it.
- We adjust menus on adventure trips, just like at camp, for campers with special dietary needs.
- If your camper needs special clothes or gear that you do not have, please contact us before the trip. We have items your camper can borrow.
- While your camper is away, we will share an update each day and pictures when possible.
- If you have any questions about our adventure trips, please reach out to the camp director, Kristen “Clover” Bulanek (kbulanek@gswise.org or 414-443-3913).

Camp FAQs

Who can attend Girl Scout summer camp?

Summer camp is open to all campers in grades K4-12. Campers who are not Girl Scout members can pay the \$90 membership registration fee and enjoy Girl Scout activities through September 30, 2027. Campers who choose not to register as a member will pay the Camp + Membership Package, which includes summer camp, Girl Scout membership through September 30, 2027, and registration support and camp service fees.

What if my camper has special needs?

We are dedicated to serving all campers and can accommodate accordingly. Contact the camp director to learn how we can work with you and your camper to make the camp experience a success.

Are special dietary needs and allergies accommodated?

We want every camper to have the best camp experience and accommodate special needs. Contact the camp director so we can work together to make camp a fun and successful experience for your Girl Scout.

Can campers attend with a friend?

Yes! At Camp Alice Chester Overnight Camp, CampHERO, and GSWISE Day Camp, campers can be placed with a buddy. Buddies need to be in the same age group and sign up for the same session. Both friends should ask for each other by name when they register.

How is my child kept safe?

Your camper's safety is our #1 priority. We follow state licensing, ACA accreditation, and Girl Scout safety standards which include, but are not limited to:

- Background checks for all adult camp staff and volunteers
- Certified lifeguards, health supervisors, and high-risk activity instructors
- Training for all staff and volunteers to prioritize your camper's physical and emotional well-being

What if my camper gets sick at camp?

If a camper becomes ill or injured, camp staff will administer first aid and follow written procedures from the camp physician. If a camper's illness or injury is severe, they will be given emergency care at the scene and be transported to the hospital's emergency room.

When a camper becomes ill or injured, we notify caregivers of the camper's condition. In life threatening situations, treatment may begin before notification. This is noted on the health consent form.

What if my camper needs medication while at camp?

Our health staff and volunteers are prepared to dispense medication as needed. Medication must be in the original container with camper's name, name of medication and dosage instructions on the container and sent with an Authorization to Administer Medication form. This form is found in CampMinder.

Can campers bring a cell phone?

No. Our camps are unplugged to let campers connect with nature, peers, and themselves. The camp director will contact caregivers if a camper has a medical problem, is excessively homesick, or has an emergency.

How is weather handled at camp?

Camp activities might change with the weather. If it rains, storms, or gets too hot, campers might not be able to do certain activities. During severe weather, campers go to safe buildings where they can still have fun with games, crafts, STEM activities, or badge work.

What if my camper gets homesick?

Being homesick is a completely natural experience and is experienced by all campers on some level. Learning to cope with homesickness is a great life skill to learn, and we are well-equipped to help with this at camp! Staff receive extensive training on how to help campers cope with homesickness. Parents/guardians will be contacted about homesickness when deemed necessary.

How do I access camp confirmations?

For Camp Alice Chester Overnight Camp, CampHERO, and GSWISE Day Camp, confirmations are available in your CampMinder account or on your Companion App. Day Camps by Community confirmations will be emailed by the volunteer camp directors two weeks before the camp session begins.
