CAMP WEEK AT A GLANCE

Alpha Moraine Girl Scout Camp has a unique legacy. Our camp is proudly led by adult Girl Scouts who attended this camp themselves. Now in our second generation of former campers returning as adult directors, we are continuing the tradition of girls growing up at camp, developing their leadership skills and eventually inspiring the next generation of Girl Scouts. We believe in the power of girl-lead experience. Our programs encourage girls to take initiative, make decisions, build confidence, and discover their own leadership potential. Throughout the week, campers enjoy a variety of outdoor adventures including archery, canoeing, swimming, fishing, cooking, crafts, games, lacing, and camp songs. Whether it is a girl's first summer or one of many, every camper becomes part of a tradition that continues long after camp ends!
