VOLUNTEERS NEEDED!

This day camp is organized and facilitated by volunteers. Spend quality time with your Girl Scout and volunteer for a day (or five!) helping her and her friends. One adult volunteer is needed for every 5-8 girls during each day of camp. That means each family should register at least one adult to help for a minimum one day during day camp. Volunteers don't have to be moms – dads, grandparents, family friends, young adult volunteers, Girl Scout alums, and more are welcome!

Adults volunteering for camp register online using the same process as the camper. Adults register as campers grade 12+. After initial registration, go back into your CampMinder account and complete the required health history, transportation, volunteer days, overnights, and any other required information

Peewees (boys and girls ages 3-5) and Boys (ages 6-12) are welcome on days the parent/guardian is volunteering (fee: $15 per day), but they must be potty-trained and mature enough to participate in a full day of camp.

ARRIVAL & DISMISSAL

[All medications (prescription and non-prescription) must be given to the Health Supervisor at the opening flag each morning and will be returned at Friday's closing flag, or earlier if needed for overnights.]
