Pay with credit/debit card (Visa, American Express, MasterCard, Discover).

Adults volunteering for camp register online using the same process as the camper. Adults register as campers grade 12+. After initial registration, go back into your CampMinder account and complete the required health history, transportation, volunteer days, overnights, and any other required information within one week. Failure to do so places your camper's registration in the incomplete status and creates additional follow-up by your volunteer directors. Please contact CustomerCare@gswise.org with questions or for assistance.

Financial Assistance Info

If the cost of camp remains beyond your financial capacity, we invite you to apply for financial assistance. Adult Volunteer Details

The girls need you! One adult volunteer is needed for every 5-8 girls during each day of camp. That means each family should register at least one adult to help for a minimum one day during day camp. Volunteers don't have to be moms – dads, grandparents, family friends, young adult volunteers, Girl Scout alums, and more are welcome!

Peewees (boys and girls ages 3-5) and Boys (ages 6-12) are welcome on days the parent/guardian is volunteering (fee: \$15 per day), but they must be potty-trained and mature enough to participate in a full day of camp. If you are a 5-day volunteer, we will discount your Boy/Peewee fee 50%.

Medication at Camp

All medications (prescription and non-prescription) must be turned in to the Health Supervisor at the opening flag each morning and will be returned at Friday's closing flag, or earlier if needed for overnights.

Medications must be in their original containers: prescription meds in a pharmacy-labeled bottle with camper's name, medication name, and dosage; non-prescription meds in original packaging. Medications without this information cannot be accepted.

Each medication must be in a labeled Ziploc bag with an Authorization to Administer Medication form and recorded in CampMinder health information.

Campers may not keep medications in their belongings, except for epi-pens and inhalers.
