MESSAGE FROM YOUR DIRECTORS

Welcome to Color Your Summer at Glacier Hills Day Camp 2027! This year, we're celebrating creativity, imagination, and the colorful ways we express ourselves. Campers will have the opportunity to explore art in many forms, from painting, photography, music, and fiber arts to gardening and outdoor adventures. And don't worry, our camp classics like fire building, outdoor cooking, hiking, survival skills, and archery are still part of the fun! Adults, don't just cheer from the sidelines, jump in and create alongside your camper. Together we'll discover new talents, make new firends, and fill the week with colorful memories that will last long summer ends.

BE PART OF THE COLOR

A succesful camp takes a colorful team! Adults help support activities, guide campers, and ensure everyone has a safe and memorable experience.

To help make Glacier Hills Day Camp a success, we ask **each family** volunteer for at **least one day** during the week. Each unit must provide at **least 2 adults** to assist throughout the week, including during the Wednesday overnight experience.

Your time, enthusiasm, and support help create the magic that makes camp such a special experience for everyone.

ADULTS HELP MAKE THE MAGIC HAPPEN

We need **one adult for every 5–8 campers each day**, so we ask each family to register at least one adult to help for one day or more during camp.

Volunteers aren't just moms — dads, grandparents, family friends, and young adults (18+) are all welcome!

Having caring, positive adults involved gives girls the confidence of knowing they're supported by a community that believes in them. Be part of that adventure!

WHERE THE COLORS CONTINUE AFTER SUNSET

Bring even more color to your summer with an overnight at camp! As the sun sets, the fun continues with campfires, games, special evening activities, and time spent with friends old and new. Fall asleep beneath a sky full of stars and wake up surrounded by the beauty of nature. Whether it's sharing stories around the campfire or creating memories that last a lifetime, an overnight experience is the perfect way to make your Glacier Hills adventure even more colorful and unforgettable.

Brownies, Juniors, Cadettes, and PAITs are invited to stay overnight on Wednesday for an additional $20 per person. A special part of the overnight experience is the opportunity for our PAITs to take on leadership roles, helping guide and support the Brownies throughout the evening while building confidence and leadership skills of their own. Adults serve as overnight chaperones, helping make this colorful night of camp memories possible.

This overnight adventure is often a camp highlight, creating lasting friendships, fostering leadership, and making unforgettable memories under the stars.
