

Attention Girl Scouts!

We have two opportunities for you!

- 1) Help bring holiday joy to seniors who are homebound and live alone. **Make cards, gifts, or purchase small items** for our volunteers to deliver to seniors during the holiday season.

- 2) **Like scrapbooking or making cards?**

We send out over 600 birthday cards annually to local seniors, we are always in need of a supply.

Organized by Eastside Senior Services, we help adults aged 60 and older to live independently and stay connected to their community on the Eastside of Milwaukee, Riverwest and Shorewood. Volunteers help with rides, grocery shopping, errands, companionship, minor home repairs and chores. A medical equipment loan closet is available to those in need of items such as wheelchairs and walkers. Office staff assist callers in referrals, advocacy, and community offering awareness. We also do several serving events or gatherings. We've distributed birthday cards, holiday cards, letters, and holiday calls. All services are FREE, and there are no income restrictions.
