

SPRING GIRL SCOUT NIGHT 2026

Join us for Girl Scout Night at Retzer Nature Center and the Horwitz-DeRemer Planetarium! Troops or individuals can attend—each Girl Scout must register separately. Chaperones or leaders must also register for planetarium programs only. Arrive on time; programs start promptly. A minimum of 10 Girl Scouts is needed to run each program. Late and in-person registrations won't be accepted due to waiver review. Badge costs are not included.

TUESDAY, MARCH 17TH

5:00pm-6:00pm- Daisy Eco Learner- \$7.00

Nature gives us many gifts. Daisy Girl Scouts will learn some ways to give back by protecting nature. Scouts will learn how to be prepared before going outdoors, play a wildlife game, observe plants and animals within a “nature circle”, and learn how to protect nature from trash.

5:00pm-6:00pm- Junior Animal Habitat Badge- \$7.00

Junior Girl Scouts will learn about animal habitats in Wisconsin, investigate animal habitats at Retzer Nature Center, create animal houses for Retzer animals, and learn about endangered habitats and how to protect animal habitats. Steps 1-4 completed and guidance for Step 5 will be provided.

5:00pm-6:00pm-Brownie Bugs Badge-\$7.00

Talk to a bug specialist, see bugs in action, explore bug homes, take an indoor bug walk, and take home a bug craft.

5:00pm-6:00pm- Think Like a Citizen Scientist- \$7.50

The Horwitz-DeRemer team will assist Girl Scouts in earning their badge by exploring astronomy citizen science projects, including observing, understanding the scientific method, and learning how scientists research and solve real-world problems.

6:00pm-7:30pm- STEM Career Exploration Badge- \$7.50

The Horwitz-DeRemer team will help Girl Scouts of all levels complete badge steps by showcasing programs like Big Astronomy, Drifting North, The Article Pulse, and Cosmix. Presenters will share their STEM careers and answer questions. Arrive early or stay late to explore STEM books and displays in the lobby.
