

ARE YOU INTERESTED IN CLIMATE ACTION, BUT DON'T KNOW WHERE TO START?

Contact our staff! Even if you or your organization is not working directly on climate related issues, there is a place for you in WI-CAN.

Effective climate action needs people working together in every sector and in every region!

WE BELIEVE THAT COLLABORATION ACROSS SECTORS WILL CREATE A MORE SUSTAINABLE WISCONSIN FOR US AND FUTURE GENERATIONS.

WISCONSIN CLIMATE ACTION NAVIGATORS NETWORK

BRINGING WISCONSIN CLIMATE LEADERS TOGETHER FOR A BRIGHTER FUTURE

WI-CAN AMPLIFIES AND ACCELERATES COMMUNITY-LED CLIMATE ACTION BY:

CONVENING CLIMATE LEADERS

OSCE facilitates collaborative climate action by hosting in-person and virtual meetings each year to connect climate professionals, government and tribal staff, businesses and more.

FUNDING INNOVATIVE COMMUNITY PROJECTS

The WI-CAN Innovation Incubator Grant Program funds community engagement projects throughout the state. Projects help ensure the benefits of a just transition reach all Wisconsinites.

CONNECTING CLIMATE ACTORS WITH STATE SUSTAINABILITY INITIATIVES

The Office creates statewide plans to guide Wisconsin's just transition. Navigators both inform and help implement these plans.

WHAT IS WI-CAN?

The Wisconsin Climate Action Navigators (WI-CAN) Network is a collective action initiative supported by the State of Wisconsin's Office of Sustainability and Clean Energy (OSCE). The network aims to create a network of change leaders who foster authentic community engagement to rapidly advance transformative climate action.
