

GIRL SCOUT NIGHT

Girl Scout Night is available for students K5 through grade 12 at our Milwaukee, Ozaukee, and Racine Campuses.

One-hour program, \$15 per Girl Scout.

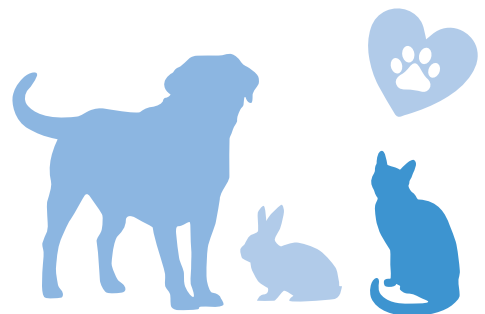

Join WHS staff to learn all about animals and the work we do in the community! We offer a fun, hybrid event that will provide troops with content to view ahead of time, along with an in-person, interactive program that engages Girl Scouts in the Wisconsin Humane Society's mission.

Before your visit, take a virtual behind-the-scenes tour to prepare for your troop's in-person experience. Your troop's reservation includes access to digital content with level-focused activities that outline everything Girl Scouts need to complete their badge or journey. During your visit, you'll learn more about how WHS cares for animals, meet an animal friend, and take a stroll around Adoption Avenue.

Exclusive Wisconsin Humane Society patches are available for purchase at the time of registration.

Registration is required.
