Thank you for participating!

Thank you for your participation! Nearly 2,000 Girl Scouts participated in the Fall Product Program and collectively earned more than $100,000 in troop proceeds! More than 500 BARK Boxes were sold - hopefully getting customers excited for the new Patch Pals (dog cookie) coming in 2027!

Fall Product Checklist:

- Take a look at how much your troop has earned in troop proceeds. On your M2 dashboard, click on REPORTS, then summary report
- Mark your calendar for your troop order pickup date and location. On the M2 dashboard, click on MANAGE TROOPS AND GIRL SCOUTS, then the + sign in front of your troop #, then "product delivery." Location changes are not possible, but pick up time changes can be requested from your station manager.
- Watch your email for a message from your station manager with pick up details next week.
