Fall Product Pickup Next Week

Thank you again for your hard work making the 2026 Fall Sale such a success. Product is currently on its way to the warehouse to distribute next week.

Fall Sale Wrap Up Checklist:

1. Watch your email for a message from your station manager with pick up details.
2. Mark your calendar for your troop order pickup date and location. On the M2 dashboard, click on MANAGE TROOPS AND GIRL SCOUTS, then select the + sign in front of your troop #, and finally select "product delivery." Location changes are not possible, but pick-up time changes can be requested from your station manager.
3. Print out **Delivery Tickets** in M2 by Girl Scout to sort product and rewards.
    - From your dashboard, click on "Delivery Tickets" under Product Management.
    - Under Product Delivery Tickets, click on "Girl Scout Tickets" and select "Include Financials."
    - Delivery ticket printouts will show what product was ordered for each Girl Scout and how much is owed to the troop. Please note: the first column is cases and the second column is units.
    - Have families double-check their order and sign off on the delivery ticket.
4. Communicate with your families where and when they can pick up orders once sorted.
5. Set a due date for money collection from families. Reminder: only paper order card orders will need to have money collected. The delivery tickets by Girl Scout will show the amount due to the troop at the bottom.

Reward Pick Up

Earned rewards will not be part of the product pickup due to shipping delays. Rewards will be available for pickup Dec. 3-5 at several locations. We know December is a busy month, and we value your time. We'll do our best to make your pick up as quick and easy as possible!

Please sign up below where you plan to pick up.

Pick Ups: What You Need to Know

- Double and triple count your product before leaving with it. After sorting all day, there will be errors.
- Each case contains 12 units. Watch the tickets – the first column is cases and the second is units.
- You will be signing off on the troop delivery ticket. You can print your own if you want to be extra prepared.
- If there are damaged items, there are no extras at the sites. Damages can be replaced at the Milwaukee or Kenosha service centers during normal business hours.
- Take a few minutes now to prep for cookie selling success in 2027! Check out our first Cookie Connection for details!
