

## Welcome Back Girl Scouts!

### Fall Product Program begins October 1!

As you get ready to go back to school, get ready for another exciting Girl Scout year by kicking it off with the Fall Product Program!

Participating in the Fall Product Program is an easy and fun way to get your troop started for the membership year! Earning troop proceeds early is a great way to start funding troop activities, and Girl Scouts will love earning fun rewards.

Bonus: Families will appreciate the simplicity! Girl Scouts who set up an online selling account can offer their customers more than just nuts and chocolate, and customers can purchase and pay online and have their purchases shipped directly.

## Fall Troop Product Manager

Each troop should recruit and register a Fall Troop Product Manager. Review the [Fall Troop Product Manager Agreement Form](#) to understand the requirements of the role and to designate your troop's Fall Product Manager.

## Fall Product Material Distribution

Fall Product Program materials will be distributed starting on Wednesday, September 9 at the Leader Compass event (formerly known as Idea Fest) at the Milwaukee Service Center.

- Troop selling packets are available for pick up at several other convenient locations beginning Sept. 9.
- Product samples will be available at the Girl Scout Service Centers only (while supplies last) beginning Sept 9.

If your troop is on the fence or not planning to participate, please indicate that with the link below.
