- Events are a great way to start or complete requirements for an earned award.
- Events are facilitated by staff, volunteers, community partners, and/or Girl Scouts (under supervision).
- All GSWISE-sponsored events are fun, interactive, educational, held to the highest safety standards, and developed to meet the needs of all members.
- Some events require that chaperones register for the event and accompany Girl Scouts during the event. These events are indicated with the chaperone **CH** symbol.
- Some events are appropriate for the whole family, including siblings. Look for the family **F** symbol.

## Event Financial Assistance

**Financial assistance is available to help members participate in Girl Scout events.** Financial assistance can be considered for one event per season (fall/winter, winter/spring, summer) per Girl Scout when GSWISE hosts the event registration. Financial assistance may not be available for partner events.

To request event financial assistance, select the Financial Assistance box during online registration. A Financial Assistance Form will be emailed to the family to complete and submit. Financial assistance is funded by proceeds from the Girl Scout Cookie Program and gifts to Girl Scouting.

## Program Activity Credits (PACs)

Girl Scouts earn PACs by participating in the Girl Scout Fall Product and Cookie Programs. Credits can be used to pay for full or partial event fees when GSWISE hosts the event registration. To redeem PACs, select “Program Credits” as your payment method during online registration. A PAC Form will be emailed to the family to complete and submit.

# Registration Information

## Girl Scout Individuals

Whether you're an Individually Registered Girl Scout (Juliette) without a troop or you're the only Girl Scout in your troop who is interested in an event, Girl Scout individuals are invited to service unit and council-wide events, workshops, service projects, and celebrations. These are fun chances to meet other Girl Scouts and grow your sisterhood.

## Confirmations and Recognitions

Event confirmation details are available at [www.gswise.org](http://www.gswise.org) > MYGS > My Events > Upcoming Events two weeks prior to the event. Share the event confirmation with everyone registered from your group.

Event descriptions indicate when Girl Scouts are working toward or earning an award at an event. Award patches are available for purchase at your local Girl Scout Resource Center, or contact us at 800-565-4475 or [customercare@gswise.org](mailto:customercare@gswise.org) to coordinate patch purchase with mailing/delivery options. It is noted in the event description when participation patches are included with the event registration.

## Program Aides (PA)

Girl Scouts in grades 6-12 can strengthen their leadership skills, channel their confidence, and work directly with younger Girl Scouts as a Program Aide! They can assist at events and lead activities to turn their goals into reality.

How PAs register:

- Go to [www.gswise.org](http://www.gswise.org) > MYGS > Find Events.
- Find events that interest you where you are at least two years older than the event participants.
- Find the event name with "PA" in front of it and use that link to complete your registration. PAs do not pay a registration fee.

PA Training is not needed to help at council events.

## Adult Volunteers/Chaperones

We can prioritize the safety of all Girl Scouts and Girl Scout volunteers only when adults become registered members and complete the required background check. Background checks are covered by the council.

- At all events, adults chaperoning Girl Scouts other than their daughter are required to be registered with Girl Scouts of the USA as an adult member and complete the required background check.
- At overnight events, all chaperones are required to be registered with Girl Scouts of the USA as an adult member and complete the required background check.

Adult volunteers are responsible for obtaining permission slips and for meeting adult-to-Girl Scout ratios for the event. All attending adults are expected to assist the Girl Scout(s) as needed and to prioritize appropriate Girl Scout behavior.

## Event Cancellations and Transfers

Cancellations are available when requested more than two weeks ahead of an event when GSWISE hosts the event registration. A \$5 cancellation processing fee will be incurred for each registrant for events with fees \$5 and higher. Refunds are not available when canceling within two weeks of the event. Cancellations might not be available for some partner events. Our registration system does not allow us to process event transfers in a single transaction. If you need to transfer from one event to a different event, please register and pay for the new event and then contact us at 800-565-4475 or [customercare@gswise.org](mailto:customercare@gswise.org) to process a cancellation for the original event; cancellation fees will still apply. If the event is canceled by the council, full refunds will be issued. Refunds should be received within two weeks from when the cancellation was processed.

## Juliette Bridging Ceremony and S'more Social

Join us for a fun evening designed especially for Juliettes (Individually Registered Members – girls who are not in troops) and their caregivers! This special gathering will begin with a short bridging ceremony to recognize and celebrate Girl Scouts who are taking the next step in their journey. Girl Scouts in grades 1, 3, 5, 8, 10, and 12 will have the opportunity to bridge to the next Girl Scout level.

After the ceremony, cozy up around the campfire at our s'more social, featuring a variety of creative and delicious ingredients to build your own gourmet s'mores. Enjoy crafts, play yard games, explore a nature trail, and take on the ninja course. Let your voice be heard – share your input and help shape future Juliette events planned for the remainder of year!

Caregivers are encouraged to connect during this time as well—ask questions, share experiences, and gain helpful insights on supporting your Girl Scout. Topics may include the Fall Product Program, Girl Scout Cookie Program, Volunteer Toolkit (VTK), Highest Awards, travel opportunities, and how to make the most of council events as a Juliette. Come celebrate, connect, and make new friends!

## Girl Scout Gold Award Approval Process

Girl Scouts going for Gold must receive council approval at two occasions: first, prior to starting the project and second, after project completion.
