Event Financial Assistance

Financial assistance is available to help members participate in Girl Scout events. Financial assistance can be considered for one event per season (fall/winter, winter/spring, summer) per Girl Scout when GSWISE hosts the event registration. Financial assistance may not be available for partner events.

To request event financial assistance, select the Financial Assistance box during online registration. A Financial Assistance Form will be emailed to the family to complete and submit. Financial assistance is funded by proceeds from the Girl Scout Cookie Program and gifts to Girl Scouting.

Program Activity Credits (PACs)

Girl Scouts earn PACs by participating in the Girl Scout Fall Product and Cookie Programs. Credits can be used to pay for full or partial event fees when GSWISE hosts the event registration. Confirmations and Recognitions

Event confirmation details are available at www.gswise.org > MYGS > My Events > Upcoming Events two weeks prior to the event. Share the event confirmation with everyone registered from your group.

Event descriptions indicate when Girl Scouts are working toward or earning an award at an event. Award patches are available for purchase at your local Girl Scout Resource Center, or contact us at 800-565-4475 or customercare@gswise.org to coordinate patch purchase with mailing/delivery options. It is noted in the event description when participation patches are included with the event registration.

Program Aides (PA)

Girl Scouts in grades 6-12 can strengthen their leadership skills, channel their confidence, and work directly with younger Girl Scouts as a Program Aide! They can assist at events and lead activities to turn their goals into reality.

- How PAs register:
 - Go to www.gswise.org > MYGS > Find Events.
 - Find events that interest you where you are at least two years older than the event participants.
 - Find the event name with “PA” in front of it and use that link to complete your registration. PAs do not pay a registration fee.
- PA Training is not needed.

Adult Volunteers/Chaperones

We can prioritize the safety of all Girl Scouts and Girl Scout volunteers only when adults become registered members and complete the required background check. Background checks are covered by the council.

- At all events, adults chaperoning Girl Scouts other than their daughter are required to be registered with Girl Scouts of the USA as an adult member and complete the required background check.
- At overnight events, all chaperones are required to be registered with Girl Scouts of the USA as an adult member and complete the required background check.

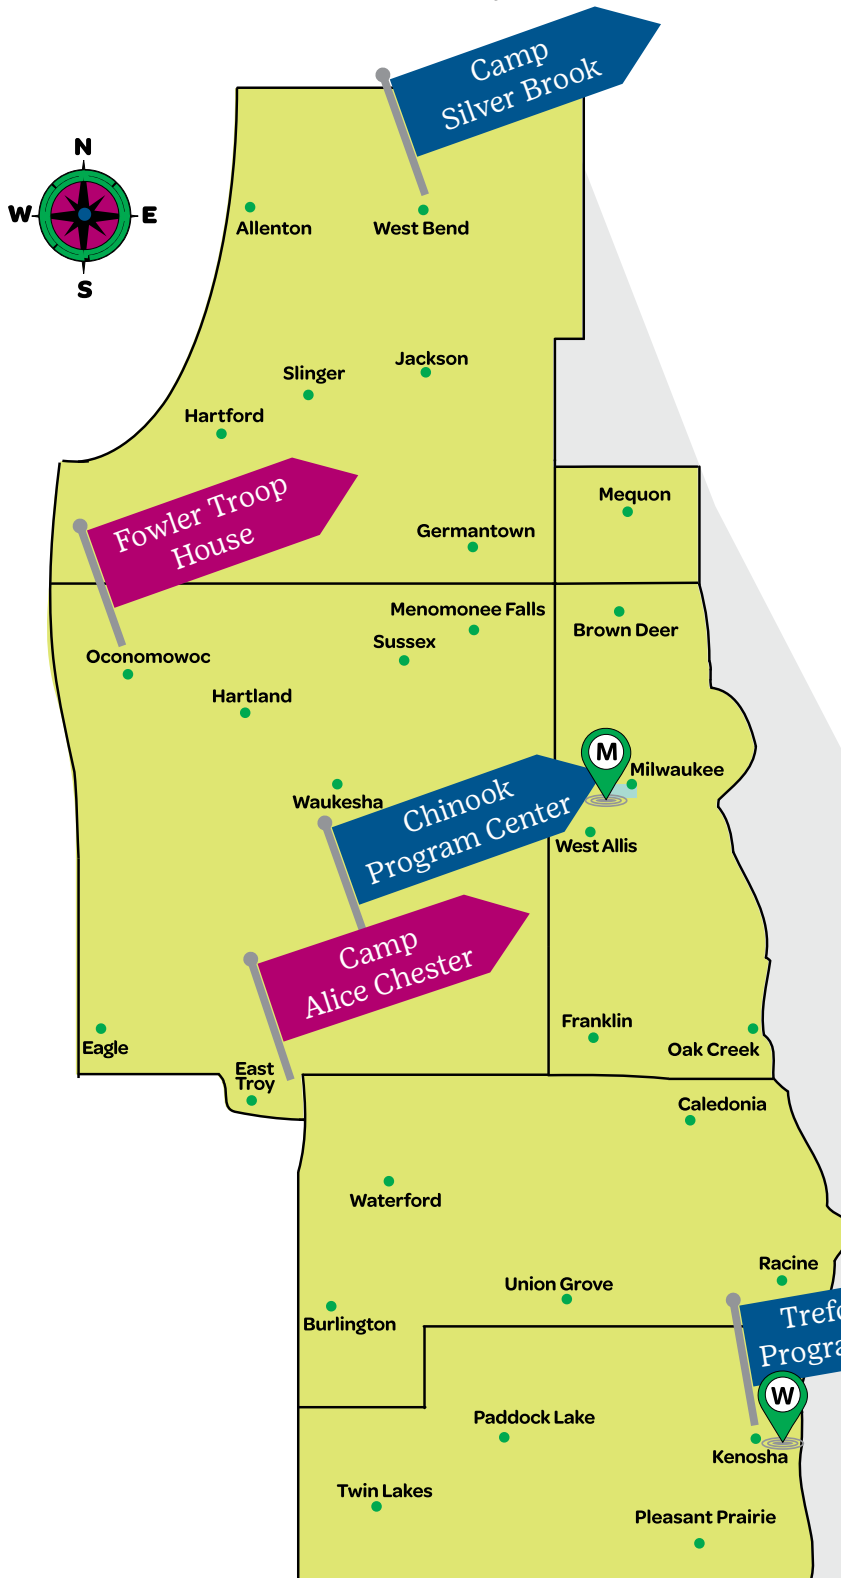

Adult volunteers are responsible for obtaining permission slips and for meeting adult-to-Girl Scout ratios for the event. All attending adults are expected to assist the Girl Scout(s) as needed and to prioritize appropriate Girl Scout behavior.

Event Cancellations and Transfers

Cancellations are available when requested more than two weeks ahead of an event when GSWISE hosts the event registration. A \$5 cancellation processing fee will be incurred for each registrant for events with fees \$5 and higher. Refunds are not available when canceling within two weeks of the event. Cancellations might not be available for some partner events. Our registration system does not allow us to process event transfers in a single transaction. If you need to transfer from one event to a different event, please register and pay for the new event and then contact us at 800-565-4475 or customercare@gswise.org to process a cancellation for the original event; cancellation fees will still apply. If the event is canceled by the council, full refunds will be issued. Refunds should be received within two weeks from when the cancellation was processed.

Older Girl Scouts can lead, or assist leading, specific activities for younger Girl Scouts while fine-tuning their own skills. Girl Scouts can serve as PAs at council and service unit events, within a troop, and at camp. PAs need to be at least two years older than the Girl Scouts they are working with.

PA Core Training is required to be a PA at day camp. See page 15 for upcoming Camp PA Training session dates/times.

Event Program Aide (PA)

Events throughout this book with the  symbol provide a great PA opportunity. PAs attend events for free. Refer to page 6 for directions to register for PA events. PA Training is not needed.

Troop Program Aide (PA)

Girl Scouts assist a younger troop in their area and gain practical skills and tips for working with both Girl Scouts and troop leaders. Contact us at customercare@gswise.org to connect with a troop. PA Training is not needed.

Volunteer-in-Training (VIT)

This is an opportunity for Girl Scouts who'd like to mentor a younger Girl Scout group in a setting other than camp.

Girl Scout Board Members for the GSWISE Board of Directors

Grades 10-12

Looking for a unique leadership experience? Be the voice of Girl Scouts as you help Girl Scouts of Wisconsin Southeast make strategic decisions about the organization in order to fulfill our mission. Each year, GSWISE accepts applications for the position of Girl Scout board member to serve on the Board of Directors for a one-year term with full voting privileges. Girl Scout board members are elected annually and attend 4-6 board meetings in 2026. They work alongside the Chief Executive Officer and other adult board members who are community and business leaders in our jurisdiction. Applicants must be registered Girl Scouts, 14+ years old, and a high school sophomore, junior, or senior by the time the term begins on October 1, 2026. Watch social, email, and Rallyhood for the application period to open in spring 2026.

October 24	All orders taken with the paper order card (not online) must be entered into M2. Make reward selections. All online orders are automatically credited in M2. Customers can order online through October 26. Troop Fall Product Managers can edit paper order total in M2 until October 26.
November 12-15	Troop product manager picks up troop order and distributes to Girl Scouts.
TBD	Reward pick-up will be announced as soon as reward deliveries are confirmed.

Proceeds

Girl Scouts participating as part of a troop earn proceeds for the troop based on the total dollars sold. Troops earn 15% of all sales online and in-person. Troops can start planning now how to use your troop proceeds—from a trip to a community service project—the possibilities are endless! Girl Scouts selling individually will earn additional Program Activity Credits (PACs) to be used toward membership fees, events, activities, summer camp, and resource center purchases.

Care to Share

Customers wishing to support your Girl Scout and a local cause can purchase items to be donated to community organizations. These products will be donated by the council, so the troop/Girl Scout will NOT receive them. Care to Share is not a specific variety and cost \$8 each.

Rewards

Girl Scouts earn rewards based on total sales (in-person and online). The reward handout pictures all the rewards that are earned cumulatively. Program Activity Credits can be used toward GSWISE camps, council events, membership fees, and resource center purchases. Remember to make selections for sales of \$375 or more in your M2 account. And, remember additional online items cost more, so you can earn more rewards by selling less items!
