Confirmations and Recognitions

Event confirmation details are available at gswise.org>**MYGS**>**My Events**>**Upcoming Events** two weeks prior to the event. Share the event confirmation with everyone registered from your group.

Event descriptions indicate when Girl Scouts are working toward or earning an award at an event. Award patches are available for purchase at your local Girl Scout Resource Center, or contact us at 800-565-4475 or customercare@gswise.org to coordinate patch purchase with mailing/delivery options. It is noted in the event description when participation patches are included with the event registration.

Program Aides (PA)

Girl Scouts in grades 6-12 can strengthen their leadership skills, channel their confidence, and work directly with younger Girl Scouts as a Program Aide! They can assist at events and lead activities to turn their goals into reality.

- How PAs register:
 - Go to gswise.org>**MYGS**>**Find Events**.
 - Find events that interest you where you are at least two years older than the event participants.
 - Find the event name with “PA” in front of it and use that link to complete your registration. PAs do not pay a registration fee.
- PA Training is not needed.

Adult Volunteers/Chaperones

We can prioritize the safety of all Girl Scouts and Girl Scout volunteers only when adults become registered members and complete the required background check. Background checks are covered by the council.

- At all events, adults chaperoning Girl Scouts other than their daughter are required to be registered with Girl Scouts of the USA as an adult member and complete the required background check.
- At overnight events, all chaperones are required to be registered with Girl Scouts of the USA as an adult member and complete the required background check.

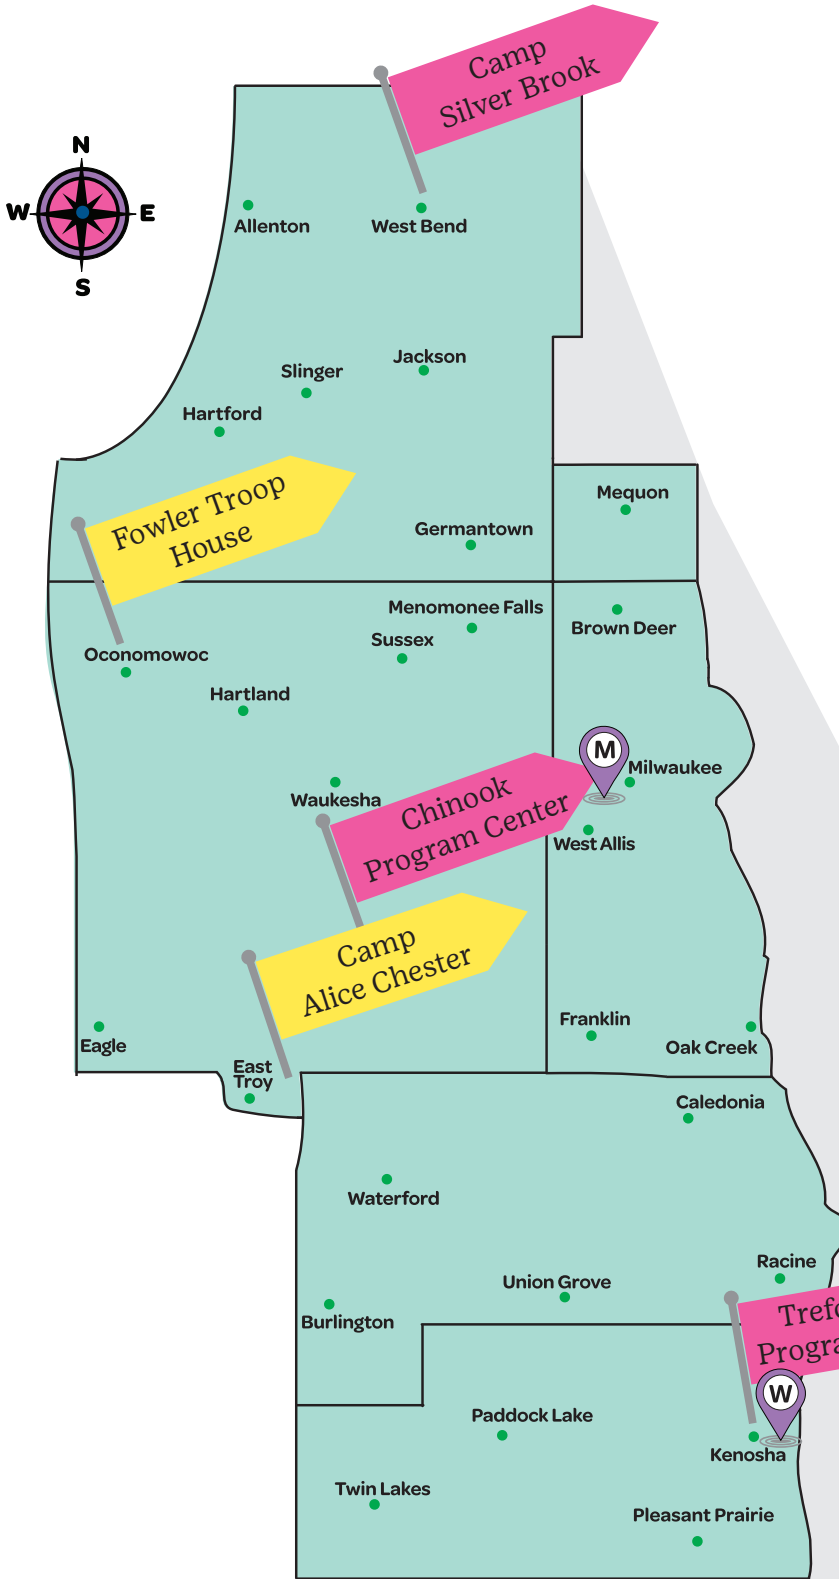

Adult volunteers are responsible for obtaining permission slips and for meeting adult-to-Girl Scout ratios for the event. All attending adults are expected to assist the Girl Scout(s) as needed and to prioritize appropriate Girl Scout behavior.

Event Cancellations and Transfers

Cancellations are available when requested more than two weeks ahead of an event when GSWISE hosts the event registration. A \$5 cancellation processing fee will be incurred for each registrant for events with fees \$5 and higher. Refunds are not available when canceling within two weeks of the event. Cancellations might not be available for some partner events. Our registration system does not allow us to process event transfers in a single transaction. If you need to transfer from one event to a different event, please register and pay for the new event and then contact us at 800-565-4475 or customercare@gswise.org to process a cancellation for the original event; cancellation fees will still apply. If the event is canceled by the council, full refunds will be issued. Refunds should be received within two weeks from when the cancellation was processed.
